[P]roposed Immigration Act Changes Lauded By National JCCA

By EDWARD IDE

(President National JCCA)

[It] has been six years since the National JCCA [submit]ted a submission on Canada's immigration poli[cy] [an]d submissions in the past have been received, [...] and in many cases apparently forgotten. The [...] announcement by Mr. Jean Marchand, Minister [of Ci]tizenship and Immigration (N.C. July 13) has [been] a long time in coming, however it is an encourag[ing si]gn towards the erasing of any discrimination in [the p]resent immigration act. The National JCCA be[lieves] it is our due as citizens of this Dominion that [ra]cial ancestry should be construed no longer as a handicap or as a discriminatory bar to equal citizenship privileges.

We most certainly hope Mr. Marchand will now continue his efforts in bringing about these changes in the immigration act, so that in due time Canada will have only one policy on immigration and not two.

In the near future it is quite probable there will be more new immigrants from Japan to this country. In Toronto, under the sponsorship of the Toronto JCCA, an immigration committee was formed last year. The primary purpose of this committee is to assist the new Japanese immigrants whenever and wherever possible. It may concern living accomodations, introducing the new arrivals to various Japanese organizations, or to make new friends and asquaintances, all in all to help them become adjusted and established in our community.

Let us remember, during the evacuation and relocation period of over 20 years ago, the Canadian citizens across Canada who guided and aided the Japanese Canadians in so many, many ways. Let us in turn help the new immigrants become Canadian citizens and who will take the very same pride as we have in this land of ours.

The JCCA will not fade away, nor will it ever be broken in spirit. The JCCA will always continue to serve in the best interest of its people.

Brian Watanabe and two other teenagers were hospitalized after their auto collided with a second car on Don Mills Rd.

Permanent Visa Status Available To Japan Visitors

By T. UMEZUKI

TORONTO. — All Japanese non-immigrants visiting Canada, who are desirous of applying for permanent residence, can now do so without waiting for the termination of their temporary entry application. This was revealed to The New Canadian recently in a letter from Mr. A. L. May, Regional Admission Supervisor, Canadian Immigration Service.

Many from Japan have inquired to the N.C. about this matter so that they could register with the National Employment Office for a Social Insurance Number and seek employment.

Mr. May, however, urged all prospective immigrants to apply for admission to Canada through facilities in Japan.

He said that all those here interested in applying for permanent residence can obtain application forms the Canadian Immigration Service office in Toronto at 175 Bedford Road any weekday, Monday through Friday, between the hours 8 a.m. and 11:30 a.m. or between 1 p.m. and 3:30 p.m.

Plan Japanese Products Show In Vancouver

VANCOUVER. — A Japanese trade show to be held here either in the fall or early in 1967 is being sponsored by the Central Lions Club.

Called the Japanese Products Show, it will be primarily an exhibition of consumer goods to be supplied by more than 50 Japanese manufacturers. Several of the household items are said to be new to the retail market.

The Pacific National Exhibition probably will be the site of the show, according to Harold Ottis, president, Central Lions Club. He says the Japanese contacted so far have shown enthusiasm for the project.

Dates of the show haven't been decided because the planners don't want the show to conflict with the International Trade Show being planned.

Critic Nader Hails Japan's Safe Auto Projects

SAN FRANCISCO. — When a safe car appears on American roads, it may very well bear a "Made In Japan" label, according to safety critic Ralph Nader, speaking at the Press Club here.

Nader, who won an apology from General Motors for his criticism of GM cars, said it is unlikely that major safety innovations will start at home.

American manufacturers deliberately control improvements, he continued, in order to stay "in their profitable, technological rut."

One of the innovations he said the Japanese are seriously considering is an inflatable cushion of air to protect automobile occupants in a crash.

An air bag, very much like a huge balloon, would automatically inflate and envelope the occupants, cushioning the impact.

Sapporo Getting Ready To Build Facilities For '72 Winter Olympics

SAPPORO, Japan.—Construction of the sports facilities for the 1972 Winter Olympic Games here will begin at the start of the 1967 Japanese fiscal year in April next year, Sapporo Mayor Yosaku Harada said.

"We would like to have the direct sports facilities completed within two and a half years to further a program for the development of top world level Japanese winter sports competitors," Mayor Harada said in an interview.

"We have had Japanese win Olympic gold medals in wrestling, weight lifting, swimming and in track and field sports," Harada said. "Japanese have also won world boxing titles and I see no reason why we can't develop gold medal winners in winter sports."

Technique

"Physical size certainly is not an all important factor in winter sports, such as the ski jump, speed skating and ski races because these are all individual competition," Harada said. "Japanese athletes may be smaller in physical measurements than their foreign counterparts but I think the difference can be offset by technique."

"We plan to foster a program for the development of Japanese winter sports competitors," Harada said. "And to make this possible, we aim to complete the direct sports facilities for the 1972 Winter Olympics as soon as possible."

He said a series of pre-Olympic meets will be held as part of this program.

Harada said construction of the direct sports facilities would cost 3 billion yen ($8,310,000) and that the national government has been asked to put up the funds because they will become permanent facilities not only for the city of Sapporo but for the entire country.

"Education Minister Umekichi Nakamura looked over the sites for the winter games facilities recently and promised us his fullest support," Harada said.

Amateur sports in Japan come under the jurisdiction of the Education Ministry.

Sapporo Grand Hotel

Nakamura was invited along with other dignitaries to attend the celebration marking the opening of the Sapporo Grand Hotel annex here.

Harada said another 2 billion yen ($5,540,000) will be needed for the construction of highways and other improvements for the 1972 Winter Olympics. Funds for this will be shared by Sapporo City, the Winter Games Organizing Committee and the national government he said.

He said an effort also will be made to speed up completion of projects envisaged in the future, not only in the immediate Sapporo area but in other parts of Hokkaido Island.

"Holding of the 1972 Winter Olympic Games will no doubt be to the benefit of entire Hokkaido," Harada said. "It will surely bring more visitors to Hokkaido not only from Japan proper but from foreign countries."

Harada said everyone of Sapporo city's 80,000 residents is solidly behind hosting the 1972 Winter Olympic Games.

"They gave me a hero's welcome and a parade when I returned from Rome where the International Olympic Committee voted in favor of our city in April," Harada said.

"We take great pride in the fact that of all the Winter Olympic Games thus far held, Sapporo is the most ideally situated in that the venues of the different sports events are closest to the centre of a modern metropolis," Harada said.

He said that even the farthest venue on the slope of Mount Eniwa where the downhill ski races will be held will be within access of 25 minutes with the construction of a new highway.

Shizu Saburo Kaneuji, one of the ten students of the ... Masamune, and the best known smith in Mino, moved from ... in Yamato and worked at the foot ofMount Shizu in late Kama... times about 1320.

There are several of his blades that have been rated ... butsu or Specially Notable.

『さつそくの御承知で、ありがとうござんす』

渡世人定十はていねいにおじぎをしてから、向うの大河原のほうへ手をあげて合図をした。と見る間に、驚いたことには、大河原傳内は大きく一つうなずいて堂々と花川戸のほうの横丁へ歩き出したのである。

雷太郎はその日八つ（二時）すぎまで、松葉屋の縁塲を借りて、正直に大河原組からの果状を持つていたが、本所の殿さまからはまだなんの挨拶もこなかつた

松葉屋の縁塲は板塀と向いあつた六畳ほどの切幕の座敷になつていて、そこを貸してくれた娘のお高は、ともかくも店の災難を救つてくれた恩人なのだから、雷太郎にすつかり好意を持つてしまつたらしく、

『雷太郎さんさえよければこのままうちの用心棒になつてもらいたいわ』

と、いそいそしているのが誰の目にもよくわかる。

『そいつはお高さん、いけねえや。旦那には観音さまのお告げで、ちやんと先口が決つているんだからね』

これだけは拾い屋の忠公が承知しない。

『そんなことかまわないのよ[illegible]。[illegible]よりうつと近いんだもの。あたしが行つてお願いしてくれば親分さまはきつと承知してくれます』

『いけねえいけねえ。そんなことをされちやおれの男の義理が立たなくなつちまう』

忠公はどうもおもしろくないようだ。

『ねえ旦那、男に懲りて男嫌いになつたなんて、こうなると當てにならなくなつてきやすね』

お高が暖簾を外して店へ出て行くと、忠公はそんなことをいつて、苦わらいをしていた。

申請期限の延長要請

ヤレムコ州大臣が訴たえる

オ州政府の市民權及び移民省大臣、ヤレムコ氏はオタワ政府のマーシヨン移民大臣が發表した『訪問者の資格切り替え申請期限』（七月二十五日）はあまりにも短かいので、相當期間延長すべきであると今週語った。更にヤレムコ大臣は、移民切り替え申請の資格も同時に擴大すべきであると強調、オタワ當局發表の資格條件は嚴重すぎて、これでは寛大な取扱いをネラった新方針は逆な結果を招くことになろうといっている。

一方、エクニック・グループでも七月二十五日期限に不平をとなえ、また學年十年以上の學力保有者という條件では、多くのイタリー系人に不合格となる者があろうとして反對しているそれらの反對の聲に對してマーシヨン移民大臣は『七月二十五日の申請期限を延長されるかも知れない』ともらしている。

カナダの移民法改正

ト市　井手エドワード

全加日系市民協會はカナダの移民方針について陳情書を提出してから六年も經過し、陳情する度にそれを受理したことの知らせはあつたが、たいていはそのまま忘れられたようであつた。ジョン・マーシヨン移民大臣が最近行つた發表は時おそきであるが、しかし現行移民法から差別的なものを取除く方向に進んでいる標識はまず喜んでよいことである。全加市協は我々の人權的組先が、平等市民權の特典にハンデイキャップ又は差別的な障害になるべきでなく、カナダ市民として取り扱われるべきだと信じている。

我々は、ゆくゆくカナダはその移民方針を單一化するため、移民法の變更をもたらすべく、マーション大臣が努力を繼續するよう切望するものである。

近い將來、カナダへの日本移民がふえることであろう。トロントではトロント日系市民協會下に移民委員會が昨年構成された。その主要目的は日本人新移住者をあらゆる機会に援助することにある。たとえば、住居、各種の日系團体の紹介又は新しい友人、知人を作つてあげることなど、ともかく我々の社會にアジャストし、落ちつかせることを援助するものである。二十年前の總立退きと再定住に際し、我々日系人を快び手助けしてくれた多くのカナダ市民のことを想起しようそしていま我々は我々が持つているカナダへの誇りを新移住者がカナダ人となつてわかち合うよう手助けしよう。

日系市民協会は立消えになつたり、信念的に分裂するものでない。市協は人々の最善の利益のため常に活動を續けるであろう。

（全加市協会長）

シルクロードの旅

—（九）—

ゆるやかな起伏のつづく荒野のソ連・トルコ国境。約三百メートル前方にトルコの国境監視所が見えた。まっすぐトルコ領内へのびて行く鉄道線路。銃をかついだソ連兵とトルコ兵が両方から線路づたいに歩みよる。

中立地帯の中ほどまで進むと、線路にかぶせてあつた砂をどけた。国境をしや断する砂盛りで、列車が通るときだけ除去するのだ。

そのあと、ピーッと、もの悲しい汽笛を響かせて、向う側から客車一両を引いた演車が入ってきた。こちらの方からも客車は一両、横に並んで、それぞれ乗客が乗りかえた。ソ連のレニナカンとトルコのカルスを結んで、週に一度しか走らぬ国境連絡列車の、それがおきまりの儀式だった。

ソ連の豪華な鋼製の客車にくらべ、トルコのは木製のオンボロ客車であった。車内では、出國までの長い手續きの間、ソ連の四人の音樂家たちが私たち乗客のために、古い樂器やタイコの演奏をはじめた。一時間前、レニナカンの驛で、見送りの大勢の人と抱き合って泣いていたペイルートへ行くグルジア人の老女が、さびしげに窓の外をじっと見つめている。

汽車は間もなく車体をきしませて中立地帯を通りぬけた。トルコの監視所の前で車内に飛びこんできた二人のトルコ兵が剣をつけた銃を腰にかまえ、車内をにらみまわして警戒しているだが、これでやっと私たちはトルコにはいることが出來たようだ。

最小州の選擧戰 公然と「票買い」

二議席の優勢で自由黨政權に

カナダ最小の州、プリンス・エドワード・アイランドでは去る五月総選挙を行った結果、保守与党が十五議席、自由野党が十五議席と同勢力となり、先週まで延期されていたキングス選挙区(二名選出)で政権の奪い合いという重要選挙の結果自由党候補が二名とも当選一九五九年以来野党であった自由党が新内閣を組織することになった。

自由党主はカナダ十州首相の最若年で三十二才のアレックス・キャンベル氏である。三十二才で州首相になったのは同氏が初めて。この延期選挙を重大視した保守党政府は、その選挙区の道路改修を早速行ったうえ、老年恩給二十五弗増加を四月にさかのぼって行い、その他各種工事を建てることを公約して投票民の関心を買うことに努力した。

一方、両党の選挙運動本部では天下の決戦選挙であるとして、古い慣例にしたがい、まずしい農者や漁者等投票者の「票買い」を公然とやり合い、一票二十五弗から五十弗で買うというのがあたりまえとさえなっていたという。この選挙区の少数投票者に、両政党がオファした数々のおみやげは、端的に東部の貧しい州の選挙戦を表現しているものであるが、政権に七年間どっしり腰をおろした保守党の仰々しいほどの投票民の関心を買う工作も失敗に終ったことは、保守党主をおどろかす結果となっている。

看護婦八人殺す

シカゴで最悪の殺人事件突發

【シカゴ】シカゴはじまつて以来、二度目の大量殺人事件が今週おこり、大々的にこの惨事が報道されている。シカゴ市内サウスサイドにあるアパートに住んでいた学生看護婦のうち、八名が次々と殺されたことが、ベッドの下にかくれて生命拾いした一人の同居看護婦によって警官に知らせたので、この惨事がわかった。

十四日夜半から未明にかけて、アパート内にしのび込んだ二十五才前後の白人で身長六呎、体重百七十斤位の大男が就寝中の看護婦(年齢十八才から二十五才)をおこし、ピストルとナイフでおどかして一室にとじ込め、一人宛を他室につれ出しては締め殺し、射ち殺し、突きさしたりした無惨な死体があちこちのルームに散在してあった。

この兇行が行われるうち一名の看護婦はベッドの下にかくれつづけ、侵入者が去ったとわかってから窓外にかけ出し、折からパトロール中の警官に殺人を報じたが、彼女はほとんど気も狂わんばかりであったという。

各室内は金品を物色した形跡があり、殺された女性たちは暴行されたとみられている。警察ではそのアパート建物全部を立入禁止し、目下取調べ中である。

一九二九年、ギャング戦で相手のギャング七人を銃殺した事件以来の最悪殺人ケースである。

老年恩給に追加

今秋から一カ月最低百五弗に

【オタワ】カナダ保健及び厚生大臣は今週、自由党政府は老年恩給者の収入を最低月百五弗に保證することを公約した。ペンショナーで一カ月の収入水準が百五弗になるため、政府が月三十弗追加補助することになるわけである。

この追加補助計画は今秋議会に提出されるもので、来年一月から支払いが開始されるカナダ・ペンション計画の恩典をうけないペンショナーにも月三十弗が追加されるものである。一カ月の収入を百五弗にすることによって、ペンショナーの最低年収を千二百六十弗に引き上げることになり、上院老年問題委員会(クロール上議々長)の進言をいれたものとなる。

議会休会

【オタワ】オタワ政府が議会に提出した『メデケア法案』は夏休みにはいる以前に第二読会を通過させたいとする保健大臣の強い意向が無視されて、同法の審議は休会明け議会に持ちこされることになった。

なお今議会は十四日夜、休会を宣言されたが、それまでに大半の議員はそれぞれの自宅に向けて出発し、二百六十五人の議員中、このごろ出席していたのは百名ばかりという有様。十月はじめ議会は再開される予定。

ツレイラー八台 來年全加を巡訪

○…長さ一マイルに及ぶ大型ツレイラーの長蛇の列がエンジンの音も勇ましくこのほどオタワ平原のハイウエーを試走し、沿道の住民たちをおどろかせた。おそらくカナダ軍の演習ではないかと多くは思っていたが、実は百年祭のカラバンであることがわかった。

○…北米では最大のツレイラー八台が当局から注文をうけて製作したキャルガリからオタワまで走りつづけた。来年この八台のツレイラー隊はカナダ国内の七百余都市町村を訪ずれて、百年祭を祝うことになっている。

○…鉄道に使う『カナダ創国列車』は岸から岸まで八十都市のステーションを訪ずれるが、時が違いところはツレイラー隊が訪ずれて、百年祭にふさわしい中味を一般に公開しようというのである。目下八十人名のドライバーを訓練中である。

日本の輸出好調

ベトナム戦の影響につき調査

【東京時事通信】通産省は現在の輸出好調の中にベトナム戦争による影響がどの程度含まれているかを調査中であったが、このほど中間調査結果がまとまった。

これによるとベトナム戦争による直接間接の輸出および特需の増加額は年率にして四億五千万弗程度に達するものとみている。

同省は現在の日本の輸出規模からみてこの程度の外貨収入の増加はそれほど問題とするに足りないとしており、仮にベトナム戦争が終結しても、その影響は日本の輸出にとって重大なものにはなるまいとみている。

同省の中間調査結果は本年一—三月の実績を昨年同期の実績に比べ、その増加分のうちベトナム戦争の影響によると推定される部分を年率に換算して算出したもので、直接特需で一億ドル、対米輸出で二億五千万ドル、第三国に対する輸出で一億ドル、[illegible]ドルの外貨収入増加が見込めるとしている。

ベトナム和平 日本も熱望

【東京時事通信】臨時国会における佐藤首相のベトナム問題に対する答弁。

(一)ベトナム紛争を一方的に米の侵略行為と断定する議論については賛成し難い。問題は南ベトナムでの破壊分子に対する北側の援助である。米国の南ベトナムへの援助は国連憲章五一条で示している集団自衛権の働きであることはハッキリ言える。無視するわけにはいかない。

(二)日本は一日も早く紛争が止まることを願っている。日米貿易経済合同委でも米国の平和への努力を要望した。同時に北側に対しても要望すべきことは要望する。

東京の當局が アベック調査

【東京発】東京丸の内署が警視庁少年一課の協力で日本一のアベック天国の皇居前広場とお濠端で行なった。一九六六年夏の『アベック調査』が発表され、こうした[illegible]していたよりも『過激度』は低く、マナーもいいという報告だが、アベックをねらう強盗はふえるばかりで、同署の『ノゾキ紳士録』はこの夏の新入りを加え二百七十七人にふえている。先週、デートしていた十五才の少女が三人組に『悪魔ドライブ』で乱暴されたばかり。「くれぐれもご用心を」と呼びかけている。

飲みながら空の旅を

來週からカナダ内で

○…いっぱい、飲みながら晩市まで空の旅を楽しむことが来週からできるようになった。エア・カナダでは七月二十一日を開始日ときめ、国内飛行にはじめてお酒のサービス。ト市晩市間の無着陸航行のお客は、スチュワーデスから酒類の注文を聞かれるわけ。

○…八月に入ればマニトバ州当局も許可して、ウイニペグ途中着陸の飛行内でも飲めることになる。カナダ横断旅客機の一等客のお酒はフリー、エコノミー級の乗客は恐らく一弗平均をチャージされることになりそう。エア・カナダでは「お酒を出しても儲かるどころか損失となる」といっている。シーピーエー機も八月からエア・カナダ同様のお酒のサービスを行うはず

カラー・テレビ

九月から開始

【オタワ】ラマーシ内相は今週議会で、カナダ人は予定より一カ月早く、来る九月一日からカラー・テレビ放送をみることになると発表した。これはテレビ局が案外早くカラー・テレビの準備をととのえ、秋の新番組がはじまる九月からカラーを放送したいという要望に應えたものである。

Exercise Useless For Reducing Says Nisei Nutritionist

LOS ANGELES. — Does exercise provide the answer to overweight? Not likely, according to a Southern Illinois University nutritionist, unless you're ready to drop everything and practically make exercising your career.

That's true particularly of people who lead sedentary lives, but it also applies to more active individuals. You might be surprised to learn how much muscular exertion is required to work off those contraband cream puffs and smuggled-in French fries. For the sake of enlightenment on the subject, Dr. Frank Konishi has compiled a "calorie activity table."

It takes one minute of running, or about 4 minutes of walking, he figures, to use up 19.4 calories. In other words, there's nothing wrong with helping yourself to a malted milk shake and a slice of layer cake beyond your normal calorie allotment, and then "working it off" through exercise—if you're ready to walk for two and three-quarter hours.

A couple of between-meals exploits like that (858 calories per exploit) would cost you five and a half hours of walking.

Of course you could cut the time expenditure by running for a mere hour and a half. But to get in shape for that you'd have to cut out malteds and layer cake in the first place. Sort of makes you stop and think—except that you can't stop because you've got all that running to do.

Exercise does benefit general health and has some effect on weight. But it takes a heap of exercise to exercise that bulge.

Better still (assuming you really mean it about controlling an innocent-looking ham-snack snatching impulse) remember a burger and a glass of skim milk would take an hour and 23 minutes to walk off if you wanted to expend the acquired energy. If you're a little busy and want to save those 23 minutes, you could switch to a glass of beer and a slice of pizza.

N.C. on Annual Ethnic Press Tour of Ontario

(Continued from last week)

But this wasn't the most impressive aspect of the Chapleau area. The most impressive and exciting part of the Chapleau trip and, indeed of the whole tour, was an air cruise on a 4 passenger Cessna one-eighty sea-plane. The trip lasted for 1½ hours and we covered over a 60 mile radius of Chapleau, travelling at a cruising speed of 120 mph. From our lofty vantage point of some 1500 feet we could survey and really appreciate the true scenic beauty of the Ontario northland with its countless lakes and rivers, and rich green forest foliage.

After the air trip we left Chapleau and started towards Elliot Lake by way of Highway 129. This part of the trip was the most picturesque because, it was so different from the rocky flatlands found in the more eastern regions of northern Ontario. The countryside here is very hilly and is completely different from other parts of Ontario.

We arrived in Elliot Lake late in the evening and checked in at one of the most modern hotels of the north, the Nordic. Elliot Lake once had a potential population of over 20,000, but when the U.S. dropped their option on the uranium mines in this area, the town's population dropped to 6,000. It thus appeared strange that such a modern hotel should be located in a relatively unpopulated area. When we went on to see the rest of the town we were further surprised to see about 2 of every 3 houses boarded up. Later, at a banquet reception at the Denison Mines Lodge, we learned that these houses belonged to this company, and we saw very forcibly and dramatically how World Politics can influence the lives of miners and workers in a small town like Elliot Lake.

The next day we were shown the actual operation of an uranium mine and were taken underground, over a thousand feet, to see the mining operation. After the mine tour, we were introduced to Dr. F. Joubin, the man responsible for the success of Elliot Lake's mining industry. We then attended the opening of the Elliot Lake Centre for Continuing Education, with Prime Minister Pearson and Premier Robarts making the dedication speeches. The ethnic press group later met the Prime Minister at an official reception at the Nordic hotel.

On the sixt and last day of this long rapid journey we left Elliot Lake and started towards our last stop at Sudbury. There we visited the giant coin display which was last year's feature picture of the Ethnic Press tour. We then toured the beautiful campus of Laurentian University. At our last official banquet we expressed our thanks to our tour director Al Venn, photographer Dave Mahore, bus driver Bill Judge and our two O.P.P. escorts Sgt. Fred Blucher and Cpl. Alex Granger, by presenting them with souvenir gifts of the Ontario northland.

So with a wonderful week of memories and much to write about, we returned to Toronto.

* * *

Thus far, I have told you about the Ontario northland's tourist attractions and industrial situation. I have left the last part of this narrative to discuss the purpose and aims of the Ethnic Press Association of Ontario in relation to the tours sponsored by the Department of Tourism and Information.

All the banquet speeches that the Association's very able and knowledgeable president Dr. J. M.Kirschbaum (a man with two Ph. D's) made, emphasized the fact that the ethnic element was not a small one in the making of Canadian history. In this sense the Ethnic Press tours are not only meant to publicize the geographical features of Ontario, but also the human ones, and especially those ethnic origin.

A social definition of an ethnic group is one whose culture is differentiated from the culture of the predominant group; in Canada's case, two groups, the English and the French. Statistics show that about one-third of our population is of ethnic origin. Thus collectively the ethnic groups represent a large sector of the political, social and cultural elements of Canadian life. Hence realistically, Canada has a multi-cultural problem to cope with; and this problem is no less significant than the bicultural problem. The process of acculturation, that is, the generational diffusion of the old culture and the acquisition of the new, has proven to be a relatively smooth one for those of European and Asiatic origin. Oddly enough the greatest acculturation problem exists in the oldest ethnic group — the Canadian Indian.

This last point leads us to the very purpose of the Ethnic Press Association. Dr. Kirschbaum made clear that most of the ethnic groups feel a strong sense of loyalty for their adopted land. It is this feeling of what Dr. Kirschbaum called "a new Canadianism" that could play a large part in Canada's future.

Japan Readers Lap Up Import Mags. Playboy, Seventeen, Life, Time, Etcetra

TOKYO. — Imported magazines are selling like hotcakes in Japan at present.

Imports of the magazines have increased by some 50 percent during the past several years to cope with the demand, according to the Nihon Keizai Shimbun.

A leading importer of books and magazines is now importing some 500 magazines from various countries in the world.

It reportedly sells 300,000 copies of these magazines monthly.

The most widely sold magazines are fashion and amusement magazines.

Among them is the American monthly "Playboy," which is being sold at a price of 450 yen per copy.

"Seventeen," a monthly magazine specializing in fashion, published in the United States and priced at 450 yen, also is proving to be extremely popular among the young women in Japan.

A large book store in Shinjuku runs out of stocks of the magazine one week after it is put on sale.

Magazines catering to the teenagers and music lovers also are proving to be best sellers among the young.

In addition, sales of news magazines as "Time," "Newsweek" and "Life" are showing a steady increase.

Another marked trend recently is the rise in sales of highbrow European publications. Such magazines include the "Encounter," published in Britain.

Now that the import of such publications has been liberalized, magazines published in any country can be brought into Japan freely and quickly, he said.

Fugitive: Single, Male & Oriental

SACRAMENTO, Calif. — The state of California recently sent out this terse description of a captured fugitive: "Single, male, Oriental."

The capture, said the State Agricultural Department, touched off a "full scale campaign" aimed at eradicating the fugitive's "much dreaded" companions.

Subject of the search?

It's the Oriental fruit fly, a single specimen of which was found in the Lomita area of Los Angeles.

The department said federal, state and county agencies are cooperating in a hunt to find whether more of the insect pests have established a Calif. base of operations.

putation as a "sanctuary of abortion."

Opposition has been barely audible, coming mainly from the Roman Catholic minority here. Commanding less than one percent of the population, the Catholic outcry is more like a murmur. The Buddhists, in the vast majority, have remained silent on the issue.

Japan did have a tradition that "children are a family treasure," but with the collapse of militarism in 1945 and the tough aftermath of the war, this treasure came to be by more than numbers alone.

As one demographer observed, severe economic straits "awakened people's interest in limiting the family size." The new law was passed smoothly in the interests of maternal health and checking the explosive population growth in this teeming island nation.

Today family planning is deeply rooted in Japanese thinking. The modern ideal is two sons and a daughter. A recent newspaper survey said that, of 3000 mothers queried, 90 percent said three children in the family is a proper and desirable size.

Contraceptives are used, but many people still depend upon licensed obstetricians who hang out their shingles in front of their offices or advertise on billboardss to cope with unwanted pregnancy.

The progress is simple and designated physicians say liberal interpretation of the law and low cost of the operation has discouraged bootleg abortions.

With signed permission of her husband and doctor, a pregnant mother can seek abortion. Some operations take less than ten minutes.

The legal reason accepted for abortion cover health, financial factors, heredity and conception by rape.

Export 2-Million TV's

TOKYO.—It is estimated that Japan will be exporting between 1,700,000 and 2,000,000 television sets this year, including about 250,000 color sets expected to be sold on the American market.
